INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 Form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed.

This statement is being filed after a final Office Action on the merits. Verheul et al., Infection and Immunity, Vol. 59, pages 3566-3573 (1991) was cited in a written communication from a foreign patent office not more than three months prior to the filing of this Information Disclosure Statement. However, it was later determined by that foreign office that it meant to cite Verheul et al., Microbiological Reviews, Vol. 57, pages 34-49 (1993) rather than the Verheul et al. (1991) reference in that communication. The foreign patent office provided the Verheul et al (1993) reference to applicants shortly after sending the written opinion. Accordingly, applicants have listed both references on the attached PTO-1449 form.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL
